MEMO FROM THE MANAGER , JOHN WARREN

First let me apologize for omitting the following service members from last month's newsletter: Roger Underwood served in the U.S. Army for 3 years. Bill Hannigan served in the U.S. Army for 30 years. Loren Elder served in the U.S. Air Force for 4 years, and Jim Small also served in the Air Force, not the Army. My apologies and our thanks for their service.

Now is the time of year when our membership drops. Don't forget that if you recruit a golfing member of any category, you will receive a \$250 credit on your club statement. If every current club member recruited one new member, I suspect the club would be able to do many of the things on our "wish list".

PLEASE REMEMBER TO RESERVE YOUR TABLE FOR THE CLUB'S CHRISTMAS PARTY ON FRIDAY, DECEMBER 17th. Bobby Horton of "Three on a String" will provide an excellent show! The party is reservations only. Check your weekly emails for the forthcoming menu.

Speaking of weekly emails, if you are not receiving them from Darlene and would like to, please call her and give her your email address. Darlene sends out a lot more information than just menus; it will help you keep up with happenings at the club.

Speaking of happenings; in February we will have our Valentine's Dinner on Saturday, February 12th. Celebrate with us early and avoid the hassle of going to a crowded restaurant. This will also be reservations only and live entertainment is planned. Menu to follow.

Chef Toney is working on having a "Taste of Altadena" in March. We hope to have four or five local restaurants to participate along with some beverage companies. We will keep you posted.

As a reminder: the club charges a 10% late fee on the outstanding balance if your statement is not paid by the 17th of the month. Please call the office if you need to make other payment arrangements.

Fore Your Information

FROM THE PRO: Those of you that like to play early, remember that this time of year brings some frosty mornings and the course is not playable until it melts off. Just walking across a green with frost on it could damage the grass and possibly kill it. Most of the time the frost is gone by 9 a.m., but depending on how slowly the temperature climbs it could be later. Please check with the Golf Shop prior to practicing on the putting or chipping greens, and before teeing off for an official O.K. to play.

FROM THE PRO continued:

The end of the year is here and those of you that have golf shop credit will need to come by and use it before December 31st. Thank you very much for your support this year!

The Clubhouse and Golf Shop will be **closed on Saturday, December 25th for Christmas Day** and back open on Sunday the 26th. The Clubhouse and Golf Shop will also be **closed on Saturday, January 1st** and back open Sunday, January 2nd.

New underpinning and ceiling fans were installed after the expansion of the decks creating a bright, clean appearance. You need to come out to the club to see these new additions. They have really added to the club's overall appeal. The upstairs deck now accommodates more tables and chairs. It will be a fantastic area when the weather warms to hold an event or just to eat lunch or dinner.
