## MEMO FROM THE MANAGER , JOHN WARREN

As many of you know, I had knee replacement surgery on August 22. My recovery is going really well and I am back at work on a part-time basis. I am looking forward to being able to work full days soon. I want to thank the Board of Governors for their understanding during this period. You may not realize it, but you have a board that works extremely hard in making important and tough decisions that keep Altadena Valley Country Club moving along when many clubs of our size have closed. You need to thank them when you see them. They get all the "complaints", (and they should), but rarely do members give them an "atta boy".

**We appreciate  
YOUR BUSINESS!**

Coming in November we will have our **2nd Annual Business Fair**. Most of the vendors from last spring will be back. If you know of anyone who would like to participate, please let me know. It is at no cost to them. AVCC will supply tables. They just need to come set up their goods. It will be held on **Thursday, November 17th from 5:00 p.m. until 7:00 p.m.** The spring fair was extremely successful and we look forward to a better, bigger one this fall.

Altadena is proud to announce we are moving forward in our attempt to go "green". We now have a recycling dumpster! **We also have reusable, cloth totes with the Altadena logo that can be purchased in the office for \$1.00 each.**

If you have been to the club to golf and rented a cart within the last few weeks, you have undoubtedly noticed and ridden in one of our new carts. They have the Altadena logo on the front and look great. If you have not rented one yet, you need to give one a try!

All clubs rely on membership to sustain its services. At AVCC we have a \$250 credit for any current member that recruits a new golfing member to the club. Really, all you need to do is invite them out to play a complimentary round and let the staff take it from there. If you know of a potential prospective member, please make the effort to let them look our club over. I think they will find it the best value in Birmingham!

If you are no longer receiving e-mails from Darlene in the office, it may be you provided a work e-mail and your company has a great spam filter. Please call the office at 967-5322 and give an alternate e-mail address.

# Fore Your Information

**FROM THE PRO:** We are now into my favorite time of the year to play golf; the weather is perfect and the course is in excellent shape. If you love to play when there is hardly anyone else on the course, then come on Saturday afternoons. Just about everyone is watching college football and wasting a perfect day to play golf. My view is that's what they make DVRs for. Anyway, we're still trying to keep things going at the Club. Please look over the following schedule to plan your month. Hope to see you out soon!

## JUNIOR CLINICS:

Junior Clinics continue at the same times each Tuesday until October 25th. The 8 years old and up clinic will be from 4 p.m. to 5 p.m. and the 5-7 year old clinic is from 5:15 p.m. to 5:45 p.m. Guests are welcome. This is the last series of clinics offered in 2011; we'll get them going again next spring.
