

November 2010

MEMO FROM THE MANAGER , JOHN WARREN

The Club CHRISTMAS PARTY will be on FRIDAY, DECEMBER 17TH. Bobby Horton will provide the entertainment.

Make plans early for Brunch with Santa, Sunday, December 19th.

Let me start out by again asking for any of you who would like to be in the club Business Directory that will come out early next year to please let me know. I need the name of the business, your position, what service or product you produce and contact information.

November statements will show a charge of \$15 for employee Christmas bonuses. This bonus is spread among all of the club employees which includes maintenance, pro shop, tennis, food & beverage and office staff. IT IS OPTIONAL. If you do not want to participate, call the office.

The club has just finished some major projects: rebuilding all of our bunkers, putting in new counter tops and hardware in the bathrooms and doubling the size of the club's two decks. Your Capital Reserve charge helps pay for these types of improvements. The club is in the process now of hanging curtains in the Main Dining Room and the Grill Room upstairs. This will really help with the acoustics and save on our energy bills.

This club is blessed with some very generous members. I could never name them all. But again, would like to thank those who helped with the improvement projects.

Chef Antonio, known to most as Toney, wants me to remind our members that the kitchen can prepare almost any item you want with enough notice. For instance, if you do not

like seafood, but would like to come to that dinner with others, call ahead several days and he can prepare any item for you.

Toney would also like to remind you that he would love to do any Christmas party for you or your business. Call him and see if he can provide for your needs.

And last but certainly not least, coming early next year Toney plans to have a "Taste of Altadena" by inviting some local restaurants to come in and demonstrate their specialties.

November 11th is Veterans Day. We have listed many of the club's veterans in this issue. They all deserve our thanks for their service to our great country. We apologize if any service member has not been included. Every attempt was made to gather all veterans' names.

Once again, if you are not receiving weekly menu and event emails, please call Darlene and give her your email address.

Fore Your Information

FROM THE PRO: We have just installed new artificial mats with rubber tees on the practice tee. There are 13 rectangular mats that have been inserted into our old mat. These were paid for through the capital improvement fund. I hope you find these to be a major improvement over what we were using. For the next month, we'll need you to only hit off of these until the over seeded rye grass grows in on the practice teeing area.

ALSO: The end of the year is fast approaching and those of you that have golf shop credit will need to come by and use it before December 31. Some of you need to use it before then because you typically have 90 to 120 days from the date of issue to use your credit, so for some of you that date is probably now. Don't worry, I'll send out reminders!

I've got several styles of long sleeve shirts and outerwear on the way this month for both men and women to give you some more buying options.
