The only day that the course and range are closed the entire day is on Saturday July 17th during The Member/Guest Tournament. All other events may have the course closed for half a day or less. Call the Golf Shop a couple of days before any event for full details.

During the Thursday night scrambles we only close one side and the other side is open for play. We swap up playing the front or back each week.

Also, from March 2nd until April 22nd, we will have three different area schools’ golf teams using our course to either play or have matches against other schools. They will be here late afternoons on a Tuesday, Wednesday, or Friday but the course is still open for members to play.

Remember, the course is closed for the Men's Monthly Events, the third Saturday of each month,

until after 10 p.m. Please call us @ 907.522.4 or any of these events or these times could change
