

# Altadena Valley

COUNTRY CLUB EST. 1963

February 1, 2010

Summer is just around the corner! AVCC is already making plans for a great season of fun, food and family. We hope that you will join us again this year. The pool opens when school is out. We have a big Pool Party on Memorial Day and an end-of-season Pool Party on Labor Day.

The initiation fee is \$125.00 with the same monthly fees as last year of \$159.50 (includes Social dues, the \$15 service gratuity and the \$35 monthly food minimum). Additional charges for food and/or swim team fees will be billed monthly.

Included in the Summer Social membership is full access to our dining facilities (19<sup>th</sup> Hole, Pool Snack Bar and Main Dining Room). You are also welcome to use the Tennis and Golf facilities, including lessons (see our Tennis Pro or our Golf Pro). We have enclosed a description of the golf plan that is part of the Summer Social membership.

AVCC is a *great* place for parties for both adults and children. Michelle Isbell is our banquet director and may be reached at 967-5322, if you would like to begin making plans!

If there are changes to your original application, please use the enclosed application (or pass along to a friend). We really would like to have an email address! If there are no changes, just call 967-5322 to re-activate your membership.

To be assured of a 2010 Summer Social membership, please respond by May 1<sup>st</sup>. You may send a check, or call and provide credit card information over the phone and be re-activated. Call 967-5322 and we'll sign you up!
